2. PRESENTER'S BACKGROUND (MAX 150 words about professional responsibilities and accomplishments of presenter, including speaking experience).

Enlisted as a functional police official during January 1981 and performed functional police duties until 1990. Appointed during 1990 as the Commander of the Medical Legal Laboratory in Pretoria. Appointed during 1992 as the Station Commissioner at Cullinan Police Station and during 2001 the Station Commissioner at Rietgat Police Station. Appointed during January 2003 as System Manager: Case Management for the Integrated Justice System. During 2005 the IJS Programme was re-structured and I was appointed as the Interdepartmental Facilitator: Integrated Justice System within SAPS Information and System Management (ISM). Since January 2003 I was responsible for the establishment and maintenance of the IJS Interoperability which later became known as the IJS Transversal Sub Programme. The IJS Transversal Sub Programme is managed by SAPS ISM on behalf of the IJS Board. I am the chairperson of the IJS Architecture Steering Committee and fulfil the role of the SAPS IJS and IJS Transversal Sub-Programme Manager, representing the said Programmes at the IJS Board, the IJS Operational Steering Committee and the IJS Programme Management Forum.
