The shared services opportunity for local government

4. PRESENTATION SYNOPSIS/ABSTRACT

Brief summary of content and focus of the presentation:

This presentation offers a Municipal ICT Roadmap to support the key municipal functions. It will identify the types of shared ICT services that are available to municipalities and deals with certain myths regarding shared services in general.

Key points for discussion include:

- Municipal ICT Roadmap
- Types of ICT shared services
- Dispel some myths regarding shared services
- What is happening in the province regarding shared ICT services
